## INDEPENDENT AUDITORS' REPORT

TO THE DIRECTORS OF COMMUNITY LIVING CHATHAM-KENT

### *Opinion*

We have audited the financial statements of Community Living Chatham-Kent (the Entity), which comprise:

- the statement of financial position as at March 31, 2020
- the statement of operations and changes in fund balances for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Entity as at March 31, 2020, and its results of operations and changes in fund balances and its cash flows for the year then ended in accordance with Canadian Accounting standards for not-for-profit organizations.

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# COMMUNITY LIVING CHATHAM-KENT

Notes to Financial Statements

Year ended March 31, 2020

---

Community Living Chatham-Kent (the "Agency") is a charitable organization incorporated without share capital under the laws of Ontario. The Agency's activities include the provision of services and supports for persons who have an intellectual disability in the Municipality of Chatham-Kent. The Agency is a registered charity under the Income Tax Act and accordingly is exempt from income taxes provided certain requirements of the Income Tax act are met.

The financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Standards in Part III of the CPA Handbook.

## 1. Significant accounting policies:

### (a) Fund accounting:

The Agency follows the restricted fund method of accounting for contributions.

The General Fund accounts for the Agency's program delivery and administrative activities. This fund reports unrestricted resources and restricted operating grants.

The Capital Asset Fund reports the assets, revenues and expenses related to the Agency's capital assets.

The Endowment Fund reports resources contributed to the D. Barichello Memorial Fund, the R. McLandress Make a Dream Come True Fund, and the Jonathan Daniel Stone Memorial Fund. Investment income earned is reported in the general fund in accordance with the restrictions imposed by the originators of the fund.

---

## 1. Significant accounting policies (continued):

### (b) Revenue recognition:

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenditures are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted funds.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions for endowment are recognized as revenue of the Endowment Fund.

Investment income earned on short-term investments is recognized as interest income of the General Fund.

### (c) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

### (d) Inventory:

Inventory is stated at the lower of cost and net realizable value.

### (e) Short-term investments:

Short-term investments consist of fixed income investments, common equities and mutual funds.

# COMMUNITY LIVING CHATHAM-KENT

Notes to Financial Statements (continued)

Year ended March 31, 2020

---

## 1. Significant accounting policies (continued):

### (f) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When capital assets no longer contribute to the Agency's ability to provide services, its carrying amount is written down to its residual value. Amortization expense is recorded in the Capital Asset Fund.

Capital assets are amortized using the following methods and annual rates:

Assets	Basis	Rate
Buildings	Straight-line	2.5%
Furniture and equipment	Declining balance	20%
Automobiles	Declining balance	30%

Proceeds from the disposal of capital assets which were funded by capital grants are allocated to the Ministry of Community and Social Services and the Agency in proportion to the funding provided. The Ministry's allocation is limited to the net proceeds on disposition.

### (g) Allocated expenses:

The Agency incurs expenditures related to administration that are not directly attributable to one aspect of the Agency's operations. These expenditures are allocated to each program based on the program's total funding and other related expenditures.

# COMMUNITY LIVING CHATHAM-KENT

Notes to Financial Statements (continued)

Year ended March 31, 2020

---

## 1. Significant accounting policies (continued):

### (h) Use of estimates:

The preparation of the financial statements in conformity with Canadian accounting standards for Not-For-Profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and valuation allowances for accounts receivable and inventories. Actual results could differ from those estimates.

### (i) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Agency has elected to carry financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Agency determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Agency expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

**9. Financial risks and concentration of credit risk (continued):**

(b) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Agency is exposed to credit risk with respect to the accounts receivable. The Agency assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts.

(c) Interest rate risk:

The Agency is exposed to interest rate risk on its fixed interest rate financial instruments. Further details about the long term debt are included in note 4.

**10. Subsequent event:**

Subsequent to March 31, 2020, financial markets have been negatively impacted by the novel Coronavirus or COVID-19, which was declared a pandemic by the World Health Organization on March 12, 2020. This has resulted in significant economic uncertainty and consequently, it is difficult to reliably measure the potential impact of this uncertainty on the Agency's future financial results.
