MESSAGE FROM EXECUTIVE DIRECTOR

Welcome to the Spring edition of the Community Connections Newsletter.

Community Living Chatham-Kent was thrilled to host MPP Trevor Jones, and Ontario Trillium Foundation volunteer Fanny Vavoulis for a recognition event on March 17th. The agency had received \$6,400 which allowed for the purchase of laptops with accessories to be utilized in the Outward Bound Program.

CLC-K underwent a Quality Assurance Measures Compliance Review during the period of January 23rd – February 2nd.

Beverly Howell and Lisa Dickson from the Ministry of Children, Community and Social Services did site inspections at several locations, they reviewed thirty-six (36) files of people who access services, fourteen (14) employee files, Board Records, Board Minutes, Serious Occurrence Reports, Fire Safety Plans, and Monthly Health & Safety Inspections. CLC-K did outstanding having three (3) non-compliances which have been corrected. Thank-you to everyone who participated. I extend a special thank-you to Sandy Morrow, Lisa Blonde, and Angela Corso.

Congratulations to Thomas Palacios, and Sebastian Campbell, recipients of the Jonathan Daniel Stone Fund Awards. Thomas received a tablet with accessories and Sebastian received a laptop with accessories.

May is Community Living Month. The celebratory month begins with Blue and Green day on May 1st, followed by the CLC-K Flag Raising and Barbeque on May 2nd, at the Municipality of Chatham-Kent Civic Centre. Please check the website for additional activities.

Enjoy the terrific weather.

Sincerely,

SUPPORTING IMPORTANT CAUSES

Special Olympics Canada partnered with Tim Hortons to create the limited edition *Special Olympics Donut*, which was available from February 3-5 throughout Canada.

Community Living Chatham-Kent quickly jumped at the opportunity to support a wonderful cause, and indulge in a delicious treat!

All the proceeds from sales of the donut went directly to local Special Olympics programs, supporting thousands of athletes across the country. They were thrilled to announce that nearly \$625,000 was raised through the Special Olympics Donut, setting a new record for this fundraiser!

We can create a better tomorrow when we #ChooseToInclude today.

SUPPORTING IMPORTANT CAUSES

Community Living Chatham-Kent wore pink shirts proudly on Wednesday, February 22 to raise awareness about the prevention of bullying, and to promote kindness, and inclusion.

On Pink Shirt Day—and every day—let's do what we can to treat each other with respect.

Together, we can lift each other up!

#BeKind

SUPPORTING IMPORTANT CAUSES

Did you know that Down Syndrome affects approximately 6,000 babies at birth every year?

Annually, on March 21, World Down Syndrome Day is celebrated to raise public awareness, promote inclusivity, and encourage advocacy. In recognition of this, everyone throughout Community Living Chatham-Kent wore their funky socks to celebrate people's differences!

Act of Kindness

While on a trip to Niagara Falls, Medea and her peer enjoyed a dinner out. Much to their surprise when they went to pay for their meal the waitress shared that a generous family, who was seated at the table behind them, had paid for their entire bill. Medea and her peer are forever grateful for this act of kindness!

St. Clair College

A group from CLC-K met with DSW students at St. Clair College. They had a great time making crafts, playing games, and socializing... the snacks were great too!

Full of Fun

DREAM MAKERS MONTHLY GIVING PROGRAM

 NOW**

- ✓ Feel good knowing you're making an ongoing, lasting impact
- ✓ Budget your financial impact by giving 12 smaller gifts a year, versus one larger one
- ✓ Preauthorized monthly payments are easy and convenient
- ✓ You can upgrade, change, or cancel your monthly gift at any time
- ✓ Monthly donors receive a consolidated tax receipt

CLC-K invites you to join the **DREAM MAKERS Monthly Giving Program**, which makes a difference all year long!

A gift of \$10/month works out to \$2.30/week, but accumulates to \$120/year! It may be difficult to donate \$120 at one time, so spreading it over twelve months makes it easier to budget financially. If you increase your monthly gift to \$20, or \$50, the impact grows!

- 1 Your rights:** I have rights and should be told what my rights are in words I understand.
- 2 Your needs:** I have a say in what my needs are and how they are met.
- 3 Your placement:** Adults making placement decisions should find out my needs and place me where they'll be met.
- 4 Your voice:** My opinions and thoughts about my care must be respected.
- 5 Your safety:** Feeling safe, accepted and able to be myself wherever I live is important.
- 6 Your identity:** I should feel supported to explore who I am and how I think about myself, including my identity, culture and beliefs.
- 7 Your relationships:** My caregivers should help me build relationships with others.
- 8 Staff and caregivers:** Those who care for me should have the right skills to meet my needs.
- 9 Your health and well-being:** The services I get should help me be physically, emotionally, spiritually, culturally and mentally healthy.
- 10 Your education:** My caregivers should help me understand why school is important and help me go to whatever program is good for me.
- 11 Your access to the Internet:** If I am mature enough, I should be taught to safely use the Internet.
- 12 Your life skills:** I should be taught important life skills to look after myself, like grocery shopping and learning how to handle money responsibly.

Promoting Growth Every Day

Service providers have a responsibility to deliver high-quality care to children and youth while in licensed out-of-home care settings. Positive outcomes for children and young persons start with meeting their needs and supporting them to thrive from the very beginning. Consider a garden – you start by selecting a location with good soil and proper conditions, add seeds, and then nourish them daily with care, adjusting when needed. Think of out-of-home care in the same way – you can create a good start, plant seeds for success and help children and youth to flourish.

[Ontario's Quality Standards Framework: A Resource Guide to Improve the Quality of Care for Children and Young Persons in Licensed Residential Settings](#) (QSF) outlines how service providers can provide high-quality care.

As a licensed service provider, you have the opportunity to promote growth every day.

The Ministry of Children, Community and Social Services is offering **three FREE training videos** to support you **in applying the quality standards**.

Good Start: Creating a nurturing environment

- Informed Placement Decisions
- Rights and Complaints
- Staff and Caregiver Learning
- Supported Transitions

Welcome: Planting seeds for success

- Individualized Care
- Voice
- Safety, Inclusion and Accessibility
- Educational Achievement

Everyday Growth: Providing daily quality care

- Identity
- Healthy Relationships
- Health and Well-being
- Access to Electronic Communications

The videos will not expire and can be accessed without registration. Video Slides and Closed Captioning available in English and French:

- **Video One: Good Start**
